

# Download Apache XML Graphics Commons

## Table of contents

1 Download a Release.....	2
2 Download from Subversion.....	2

## 1. Download a Release

Source ("-src") and binary ("-bin") distributions can be downloaded from a [Apache XML Graphics Commons Distribution Mirror](#).

## 2. Download from Subversion

The latest source code is available directly from the Subversion repository:

Trunk	
Repository URL	<a href="http://svn.apache.org/repos/asf/xmlgraphics/commons/">http://svn.apache.org/repos/asf/xmlgraphics/commons/</a>
Web view	<a href="http://svn.apache.org/viewvc/xmlgraphics/commons/">http://svn.apache.org/viewvc/xmlgraphics/commons/</a>

**Note:**

Committers need to replace "http" with "https" and then log in so they can gain write access!
